Coronavirus (Scotland) Bill

Amendment to be moved at Stage 2
Schedule 4, Page 28, line 34 add at end ---
< the Mental Health Tribunal for Scotland>

Effect
This amendment adds the Mental Health Tribunal for Scotland to the definition of Tribunal in the bill

Reason
The Mental Health Tribunal for Scotland has not been transferred to the First-Tier Tribunal for Scotland. It is not included in the interpretation provision in Schedule 4. This omission needs to be rectified and this amendment is therefore necessary.
