

### Law Society of Scotland Survey of members 2016

**Ipsos MORI Scotland** 

January 2017

### Background

- The aim of the research was to explore members' perceptions of the Society, the service it provides and its priorities for the future.
- Where relevant, comparisons were made with perceptions and attitudes from previous waves of the survey (conducted annually from 2011 to 2015).
- Members were selected from a database provided by the Society using stratified random sampling.
- Interviews were conducted by telephone between 28<sup>th</sup> November and 16<sup>th</sup> December 2016.
- In total, 542 interviews were achieved. Weighting was applied to the data to ensure it was representative of the membership population as a whole.
