

CHARITIES (REGULATION AND ADMINISTRATION) (SCOTLAND) BILL
AMENDMENT TO BE MOVED AT STAGE 2

After Section 17, page 19, line 28

insert <() **Scottish Charity Law: Review**

(1) Within 6 months of the date of Royal Assent, the Scottish Ministers must commence a review of Scottish charity law.

(2) Scottish Ministers must report to the Parliament the outcome of the review by 31 December 2025.

Effect

This amendment requires Scottish Ministers to commence a wider review of charity law within 6 months of the Bill receiving Royal Assent.

Reason

Scottish Ministers have committed to a wider review of charity law, but to date have not provided any detail on scope or timescales. In our view, a wider review of charity law is long overdue. This amendment would ensure that a review is commenced timeously following the passage of the Bill.
